Portland Corporate Games would like to give a big thanks to everyone that participated in the 2009 games, with a special thanks going out to the team coordinators who took the time to put everything together for their respective companies. It's a big job and without you the games wouldn't happen. Thank you to all the volunteers as well that came out to help at each event and support their companies. Last, but not least all the participants. Along w/ the team coordinators you make these games happen. We sincerely appreciate everyone taking the time to come out and represent his or her company and we hope you all enjoyed it as much as we did. We look forward to 2010 and beyond!

## **A Recap Of The 2009 Games**

This years games were highly competitive from the start and saw the leader board change after every event. Heading into the closing ceremony the Corporate Cup was completely up for grabs with Stockamp (311 pts), Willamette Dental (309 pts) and TriQuint (368 pts) all setting their sights on the prize. Not far behind was Alpine Mortgage (240) & Orthopedic & Fracture Clinic (236). With a slew of points still up for grabs (Closing Ceremony/Silent Auction/Scavenger Hunt Tally/Charitable Cash Donations), the Corporate Cup was clearly up for grabs. Even Yahoo & Aloha Dog & Cat were poised to throw their hat in their ring for a top 3 finish!

When the dust settled we literally had the closest margin for the respective 1st, 2nd and 3rd place finish in the history of the games! TriQuint finishing with 446 points, Stockamp with 431, and Willamette Dental 421. Respectively each company made a huge push w/ the Auction and attendance to net 78 points, 120 points and 112 points respectively in order of the finish above. Rounding out the field Alpine Mortgage held off the defending champ OFC for the 4th place finish with 278 points to OFC's 244. Rounding out the field were Yahoo 166, Aloha Dog & Cat 127, All Pro Blind Cleaners 74, Sendoodles 26 and Providence St. Vincent 8. Certainly you can see how vital every point is when it comes down to the final standings, let alone competing in all the events w/ volunteers as well. Congrats to all of you that participated and to those as well that won individual medals for respective events. It's to be commended.

So there you have it; a big hand for TriQuint our 2009 Corporate Games Champion! Congratulations to all of the employees that made this championship effort happen! Hard work and great times paid off! This is TriQuint's first PCG title after taking 3rd place in 2008, and there is word OFC is already in preparation to take back the title in 2010. Though I'm sure Willamette Dental, Yahoo, Alpine Mortgage, Aloha Dog & Cat and future companies will have something to say about that.

Survey - Event Voting - What's In Store & More!

As we bring the 2009 games to a close there are a few things we wanted to share with you all going forward. First off we want to hear from you about your experience in the games. The good, the bad, future events you'd like to see, etc. We will be following this newsletter with a survey looking for that crucial feedback. We at PCG strive to make this THE event in Portland for businesses and want to bring the best tournament/experience possible to the table. As well you are more than welcome to email us at [info@portlandcorporategames.com](mailto:info@portlandcorporategames.com) with your thoughts.

In addition to the survey we will be taking a vote on events to be added for the 2010 games. So be sure to rock the vote! Along with that we are constantly looking for testimonials to share w/ others in our newsletter, on your Facebook page and on our site. So please if you have a great story or experience and would like to get it published on the site, then we would love to share that with others!! Also don't be shy about spreading the PCG word to your friends, family and other future companies looking to compete in the games.
